Junior garden club project

Decorations for Christmas tree at Christ Episcopal Day School were all manufactured and hung by these girls from school's junior garden club. Giving tree last night.

Details are, from left, Mary Caldwell, Katherine Johnson, Regina Castine, Kathy Shadd and Kathy Mowery. Group has also completed number of landscaping projects on school grounds.

Roselyn Duchkar heads 4-H club

Roselyn Duchkar was elected president of the Wave-land 4-H Club at the meeting Nov. 30 in Wave-land Methodist Church, Fellowship Hall.

Others named to office were Toni Saucier, vice president; Lynn Allain, secretary; Nancy Evans, treasurer and Jane Rene Ramsey, reporter.

There were 18 members present, their leaders Mrs. Maurice George, Mrs. H. Still-er and Mrs. Earl Ladner and Miss Shirley Shaw, extension economist.

Loaded with loot

Eleanor Turnipseed, Cynthia McArthur, Karen Dean, Sharon Mont and Jimmy Mc Auley pick up prizes won in Bay Senior High School's magazine subscription sales drive earlier this year. All five are member of \$100 Club, for exceeding that amount in sales, and their prizes ranged from transistor radios to cameras.

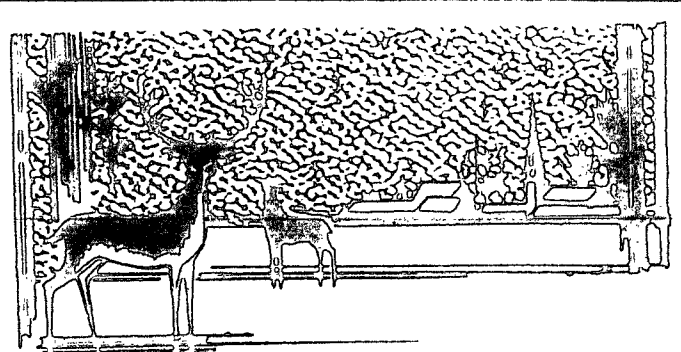

Parish school choirs sing

The boy's and girls' choir from the fifth, sixth and seventh grades at Our Lady of the Gulf School presented a Christmas program Friday in St. Joseph Academy auditorium.

A number of musical selections in elegant form composed of live tableaux and choral selections were presented.

Mrs. John McKenna directed the group and accompanied them on the piano.

Gifts were presented to Mrs. James J. Hannon, pastor, and assistant Revs. Richard Samson and John Nease, from the student body.

On the job training

Bay Senior High School Cooperative Training Student of the Week, Claud Shubert, left, is receiving instructions on proper usage of auto service equipment by Bit Haverling, right, and Ray Ladner. Claud is being trained on job by Garry Lane Chevrolet Co., Inc., in conjunction with Bay High School. Ladner, 1967 graduate of Bay High, received similar training from Haverling during his senior year. To supplement his on job training, Claud receives additional classroom instruction, and will receive a regular high school diploma. (Photo by Bay High Photo Club)

Freak accident injures woman

Mrs. Virgil Stockstill of Leetown was rushed to Crosby Memorial Hospital, Piquette, Dec. 11, after an 8-point buck deer jumped through the windshield of her car. She was driving on Rt. 43 between Piquette and Kila at the time of the incident.

Leaving home around 5:30 p.m., Mrs. Stockstill was found in her stalled car on the highway about 7 p.m. by Jerry Thigpen of Piquette.

Thigpen eased Mrs. Stockstill from under the deer, which was described as literally sitting in her lap, and took her to the hospital. Police officers credited Thigpen with saving her life as she had lost so much blood she was in a state of shock. Immediate transfusions were given in hospital.

In the accident, described as one of the most freakish in many years, the deer jumped through the car's windshield and pinned the victim to the car seat.

Glass from the windshield caused deep lacerations in Mrs. Stockstill's face and head, resulting in the loss of blood.

Dr. D. C. Ruden, the woman's doctor, said after her arrival in hospital she was in fair condition.

A wrecker towed the damaged automobile to Bay St. Louis where the deer carcass was removed.

Bridge club plays, parties

Winners of Thursday night's Bay Bridge Club games were Mrs. T.J. Garner and Mrs. Kenyon Harrington, first; Mrs. S.O. Hastings, Kenyon Harrington, Mrs. Lelyn Nybo and Gene Williams, tied for second.

Following the games a Christmas party was held and Mrs. Harrington, past director, was presented a gift in appreciation of her work with the club.

Bay pair help Southern IFC win top prizes

Two Bay St. Louis students at the University of Southern Mississippi, officers of the Interfraternity Council there, were among its delegation to the National Interfraternity Council convention in New York City when Southern's group received two of the top awards. They were Donald Parker and Chris S. Cave.

Southern's IFC was named

the best all-around council in its division in the nation. The collection was for colleges and universities with IFC's composed of up to 12 fraternities. The second award comprised a singular honor for USM in the creation of special citation naming it a runner-up to the Balfour Trophy which is annually given to the best Interfraternity Council in the nation.

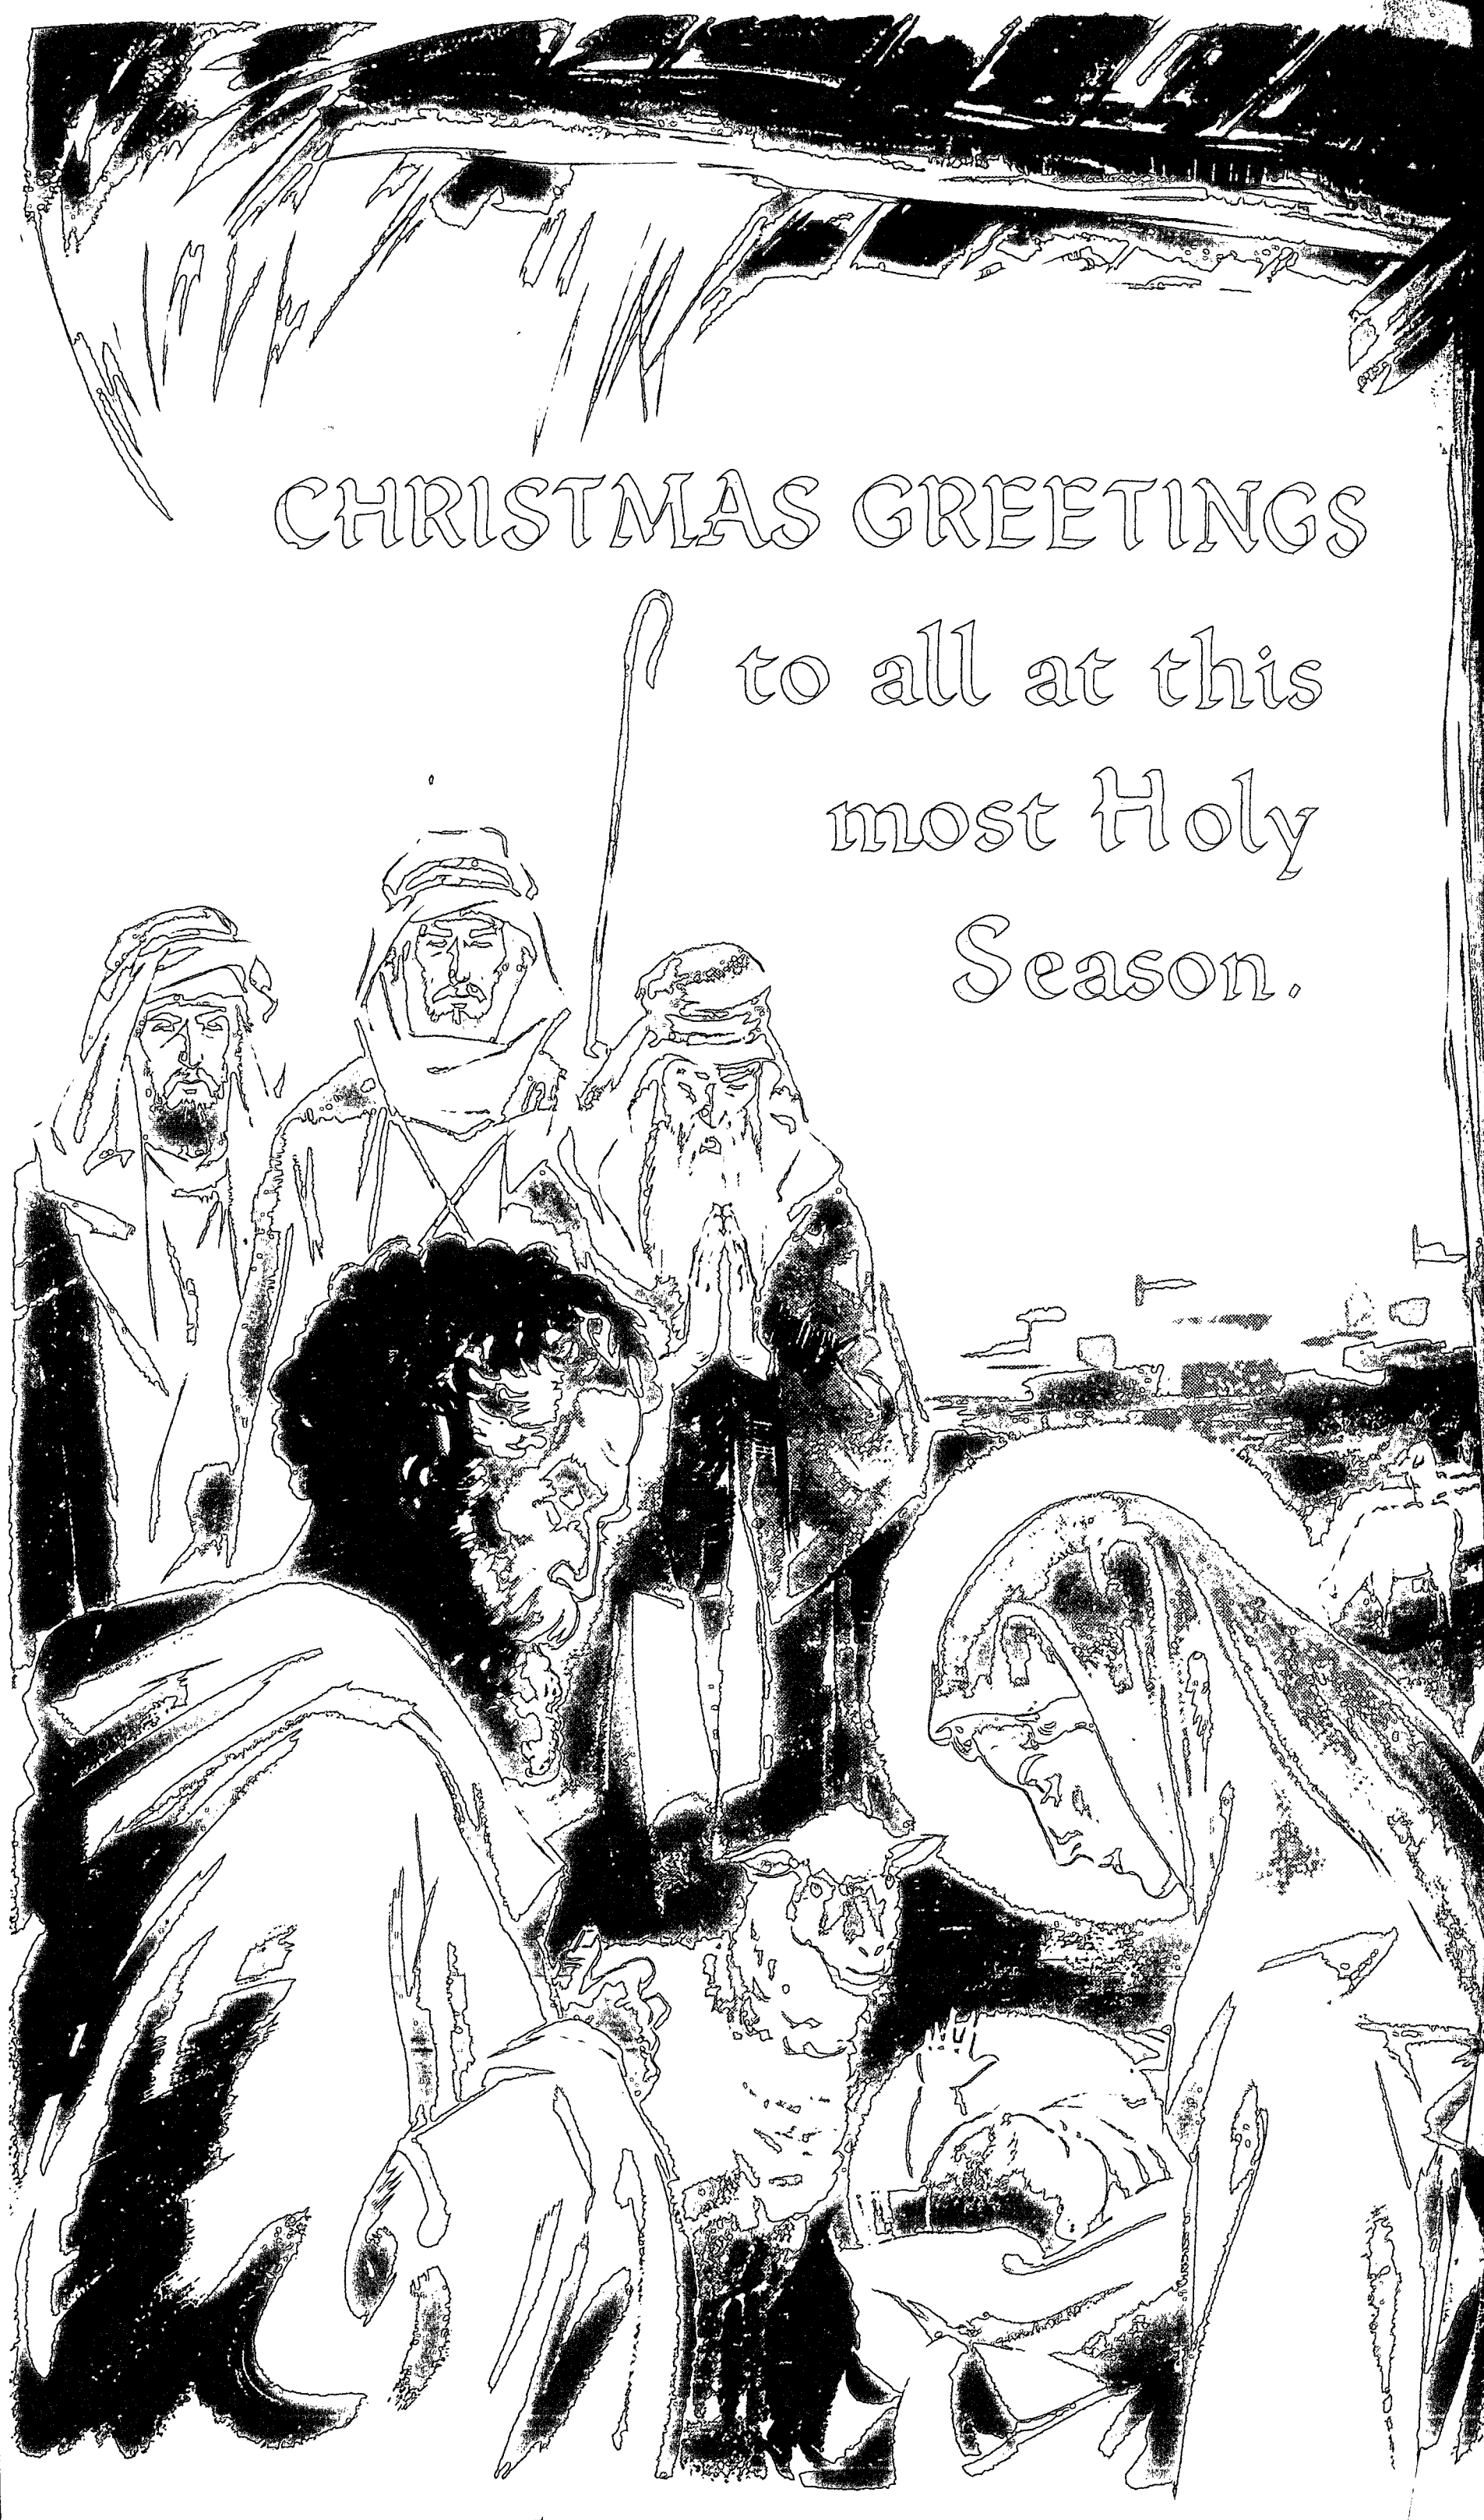

This year's recipient of the Balfour Award was the University of Illinois which has 37 fraternities, largest fraternity system in the U. S. Southern also was the only institution in the Southeast to take national awards this year. A third honor for the eight-member delegation from USM was the appointment of Michael M. Morris, president of the USM

Hard crabs are still being caught in deep water. One fisherman, using crab nets, reported catching eight dozen one day this week. What's better for eating than hard boiled crabs.

Eddie Engelhorn, our sports editor, talks good fishing. Better get the old rod out Eddie. There's plenty of fish waiting to be caught and the time is now. Better go to underwater baits this time of the year for black bass. Fly fishing and casting are bringing them in. Have had some reports of good catches up the rivers and bayous.

Two out-of-town fishermen, bragged about the 100 speckles they caught by trolling up Jordan River. They measured about 8 inches each. That's a good size to throw back. Let's give the fish a break. Sometimes I wonder what's coming next. Pete and Mrs. Porter were gripped at the loss of their little pet dog, UNUSUAL. The dog would sneeze on command and do other tricks. Many local children will miss playing with "Sneezy."

Now that most all hunting seasons are open it is a good idea to carry your gun with you while fishing. You may run across ducks, snipe, rabbits, rails, or what have you. They all put meat on the table and fun shooting.

while. There will still be hunting and fishing later, Buddy.

Many of our local boys will be home soon from different colleges for the Christmas holidays. Among them will be Billy and Billy Stechmann, Rae Elliott, John Scaife, Jr., Bub and John Genth and others. You can bet there will be plenty of fishing, hunting, golf, etc. These young fellows are real sports and love the outdoors.

Don't know whether any members of the group will find time to do this last, single week before Santa's scheduled arrival. Just in case someone isn't too busy, here goes: Our Lady of the Gulf and Stanislaus students were dismissed after Christmas programs Friday afternoon. Other local schools closed after similar activities Tuesday.

C.Y.O. members have collected and repaired toys for needy children to be distributed before Dec. 25th, and entertained a Yuletide dance in the cafeteria from 8:30 until midnight Saturday night.

Andy Strubers have been rehearsing carols which they will sing outside of Hancock General Hospital and the county home tonight.

The college crew began to arrive home as early as Friday. We won't try to name those in nearby institutions of higher learning, but some who don't return except on special occasions are here, Dianne Carver and Kathy Naux came from Texas. Ellen McDonald is here from Stephens. Johnnie Green flew in from Marymount in Arlington, Va. on Saturday. Harry Statuck also came in over the weekend.

Lots Usher is captain of the newly organized St. Clare's girls' basketball team coached by Mrs. J. Hoffman. Linda Perry is alternate captain and we expect great things from this eager group.

Sue Porter, Becky Adams and Ellen McDonald are three Bay deposes who will be making their bows at the second annual Debutante Ball at the Edgewater Gulf Hotel Saturday.

Barbara is proudly wearing the new ID bracelet and football jacket presented to her by Paul.

Is Donnie really trying to sell his "trick or treat" candy?

Vary is becoming quite competent in choral conducting. The Bay High chorus entertained Rotary Club members at their weekly luncheon last Wednesday and presented their concert at the new high school on Thursday night.

M.S. and D.C.'s names are to be added to the going steady list.

S.F. is still on his vacation. Ricky Rodriguez, who moved away several months ago, keeps Linda and several other friends informed as to what's new with him.

Waveland Youth League, a non-denominational social and civic group, elected officers Friday. Gene Greenwald is president; Cathie Crider, vice-president; Judy Hayward, secretary, and David Hubbard, treasurer. Officers will meet this week to set a date for their first dance and caucus meeting. Anyone interested in joining is asked to contact one of the above mentioned.

Edith and Jetton had a wonderful time at the St. Stanislaus dance last Friday night.

Edga Edga sends a greeting to Jethro.

Despite some great catches of Vaughn Arceneaux, his team went down in defeat last weekend.

Darome Darome, Pam and Mol got drenched when Mol's car bogged in all the precipitation Saturday, Dec. 9. When the wrecker arrived it pulled not only the automobile out of the mud, but also removed half the bumper.

Who was the note that Randy seems to know all about, really intended for?

Martha Travira is in line for a happy birthday greeting. She was a sweet 16 on Tuesday, Dec. 12.

What's this we hear about J.C. and John? Is a romance in the offing?

A.L. appears very lonely since Gene's departure.

Is Tom going to toss a party during the holidays?

How are Diana and Sammy

getting along?
Is Frank the reason for the bright gleam in Doris' eyes?
What is Cynthia wishing for???

Catholic Youth Organization and Episcopal Young Churchmen are jointly sponsoring a dance to be held in St. Joseph Academy gymnasium from 8 until midnight on Friday, Dec. 29. The Palace Sounds will furnish music. Donation is \$2.50 stag, \$4 a couple. For further information contact either Janie Langstrand or Holly Hayden.

Junior league bowlers' scores all but shake your pointer too much to write about them. In the recent Christmas tournament at Tower Lanes LaVerne Benigno and Charlotte Piazza were tips with an 1,165 series. In boys' competition Dennis and A.J. Geoffrey scored a whopping total of 1,277 pins.

Mary Thomas is in line for belated birthday greetings having cut her 18th cake last Saturday.

Hope to have a long list of what who received for Christmas in time for next week's bit. Until then have your little holiday happenings!

County population, work force climbs

The Dating Game in Hancock County is a pretty evenly matched affair, according to statistics provided by the recently

FILE SUIT

Two men, Robert L. Ware, Gulfport, and J.V. Reese, Slatersburg, La., have filed suit for \$125,000 each against General Electric, Mississippi Test Support Department, for injuries allegedly received March 11 when a valve blew off the seventh level of the A-2 test stand at Mississippi Test Facility.

issued Hancock County Development Organization's county development plan.

Out of a given 1965 population total of 16,687, the report lists 100,8 males per 100 females. This makes it possible for 100 boys to ask 100 girls out for a date and still retain point eight in reserves for emergencies.

There is a snag however. The male median age is given as 26.8 while the female equivalent is 24.1 for an average of 25.4. In age groups, there are 2,457 persons listed as being

aged 5 and under, 2,960 in the 6-14 age bracket, 6,278 in the large 15-44 category and 5,092 who are 45 or older. Births kept ahead of deaths in the last five years. In 1960 the birth rate was 287 while by 1965 this had jumped to 344. Deaths, while also showing a climb, kept under this figure, at 199, 119 persons died and 175, 158.

In overall population increase over a period of 15 years the report cites Hancock as having a head count of 11,891 in 1950, 14,039 in 1960, for a net gain of 18.1 per cent, and 16,687

in 1965 for a climb of 18.8 per cent.

Of those people the county development group states a total of 9,151 males and 5,269 females were employed in 1965, the latest date of any report statistic, for a total gainfully employed work force of 10,420 persons.

Christmas parties are many

Dr. and Mrs. J.B. Levens and Dr. and Mrs. M.L. Dodson entertained employees at Bay-Waveland clinic with a Yule party Saturday night at the Levens home.

Decorations of silver and blue and Santa in a sleigh decorated the tables. Mr. and Mrs. David Smallwood entertained with a Christmas party Sunday afternoon for residents and personnel at Gulfview Haven.

The annual Christmas tree held gifts for everyone. Pere Le Duc Council 1522 Knights of Columbus held its annual Christmas party Sunday afternoon at the KC Home for members, their wives and children.

Santa was on hand with gifts and goodies for the children. Knights of Columbus auxiliary entertained with a party and covered dish supper for members and their husbands Wednesday night at the KC Home.

12 members are invested by Brownie troop

Investiture ceremonies for Brownie Troop 115, sponsored by Our Lady of the Gulf Church, were last Thursday afternoon at the parish hall.

Invested were Angelique Arceneaux, Elizabeth Ann Lagarde, Joann Dickinson, Katherine Ross, Lisa de Benedetto, Marina Thompson Favre, Mary Beth Carr, Patricia Payne, Sherry Kingston, Tina Aime, Annette Sciamma and Tracy Stiefel.

Mrs. Charles Dickinson, leader, and Mrs. Luis Sciamma, assistant, were assisted in investiture ceremonies by Mrs. Edward C. Snow, neighborhood chairman.

Committee mothers, Mrs. Andre Arceneaux, Mrs. George de Benedetto and Mrs. Ray Stiefel, served refreshments from a table centered with a musical Santa.

Magr. James J. Hannon was a guest.

Karen Bilbo is betrothed

Mrs. Verdie Bilbo of Bay St. Louis announces the engagement of her daughter, Karen Elaine, to Ray Pennington, Jr., son of Mrs. Ralph Lucich, Bay St. Louis and Ray Pennington. The bride-elect is a graduate of St. Joseph Academy. The groom, who attended Bay High School, is presently attending IBM School in New Orleans. The bride-elect is also the daughter of the late William E. Bilbo.

Reinike home scene of party

Mr. and Mrs. R.J. Reinike and Mr. and Mrs. Alton Seymour of Gulfport entertained at a family reception Thursday night at the former's home to introduce their niece, Miss Robin Lynn Brown of Gulfport, her fiancé, Capt. Gary Robinson, USA, his parents, Mr. and Mrs. Wilbur Robinson, and an aunt, Mrs. Hal of Alton, Pa.

Miss Brown and Captain Robinson were married Saturday in St. John's Catholic Church, Gulfport.

Arrangements of camellias decorated the reception room. The refreshment table, covered with a hand-made lace cloth was centered with a cake in the form of double wedding bells topped with white spun sugar roses and a nosegay of white ribbon. A pair of ceramic doves and silver candelabras holding white tapers completed the table decorations.

WHEREAS, the Board of Supervisors of Hancock County, Mississippi, did, at its regular December 4, 1967, meeting, consider the request of citizens for an amendment of an order of February 6, 1967, appearing in Minute Book A-3, pages 32 through 45 and entitled "An Order Adopting Certain Subdivision Regulations in Accordance with Section 2880.5 and 3595 et seq, Mississippi Code 1942 Annotated, Recompiled and Regulating Pier Construction".

Said amendment being for the purpose of amending existing subdivision rules and regulations to include different types of subdivisions by classifications A, B, C, and D.

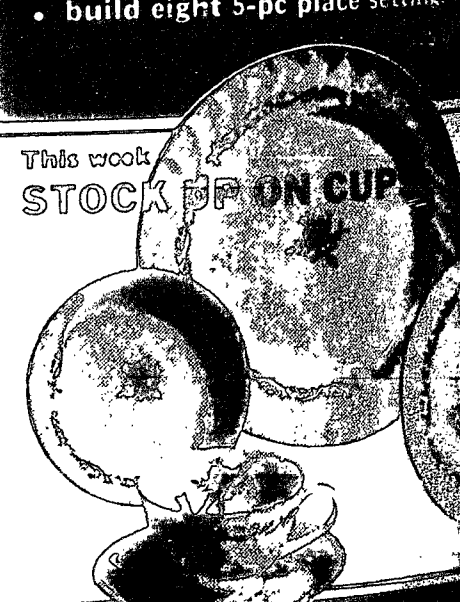

WHEREAS, notice is hereby given that a Public Hearing will be held as provided by law, Sec. 3583, Mississippi Code of 1942, on the 28th day of December, 1967 at 7:00 P.M. at the Courthouse of Hancock County in Bay St. Louis, Mississippi, such hearing being in relation to the amendment of aforesaid order, at which hearing all parties in interest and citizens shall have an opportunity to be heard in support of or in opposition to the said proposed amendment.

This, the 4th day of December, 1967.
MARIE E. QUINTINI, Chancery Clerk and Clerk Board of Supervisors Hancock County, Mississippi. 12/7, 12/14, 12/21/67.

Mrs. McKenna's piano students give recital

Mrs. John McKenna presented her pupils in a piano recital Sunday afternoon in Our Lady of the Gulf School. Students who participated were Richard Martin, Denise Currie, Michael Rosato, Ann Marie Rosato, Richard, Karen and Carol Holcomb, Emmer and Brenda Farrell, Neil Ducomb, Leigh Ann Russo, Stephen Taylor, Susan and Becky Benior, Jennifer, Patricia Haas, Joseph Manieri, Carleen Murphy, Amy Hartnett, Lynn Phillips and Ann Carol Martin. Cookies and punch were served from a table covered with a Christmas cloth centered with the punch bowl flanked by red tapers. Popcorn balls and candy canes completed the decorations. Mrs. E.S. Holcomb, assisted by Mrs. Santo Rosato and Mrs. Edward Martin, presided at the punch bowl.

tykes either clinging to their skirts, or worse, bubbling all over local stores; cars appearing somewhat misshapen as Christmas tree branches protrude from windows and trunks and the sounds of the season, chimes, bells and the swift patter of footsteps as the most wonderful day of the year is all but here.

Peters, Williams ahead in Jones' scoring race

Valena C. Jones' date with Lucedale's cagers scheduled

for last Friday was postponed until next year but the lads and lassies were not exactly idle. Monday coach Willie Bradley was drilling the Tigers on defense saying the guards were giving up too many easy shots from the floor. The Tigers are running up high scores but so is the opposition, Bradley said.

The Tigers have won three and lost three this season scoring 458 points for a 76.3 point-per-game average while the enemy has scored 434 for a 72.3 average.

Larry Peters is top scorer with 130 points, 21.6 ppg, Lionel

Achor has 118 - 19.6, and Ernest Taylor 114 - 19.0. Taylor leads in rebounds with 13 - 12.1, Gilbert Gilliam 64 - 10.6, Armadae Collins 56 - 9.3, and Sterling Bell 40 - 8.1.

The Tigerettes have six wins and no losses. They scored 261 - 43.5 against the opposition's 145 - 24.1. Jo Ann Williams leads the scoring with 84 - 14.0 followed by Lorraine Hargett 55 - 9.1, Queen Starke 39 - 6.5, Kim Bell 38 - 6.3, and Alice Lemay 17 - 2.8.

Rebounds: Pearl Walker 104 - 17.3, Barbara Hawkins 81 - 13.5, Blockad shots, Hawkins 26 - 4.3, Walter 24 - 4.0.

Oblates beat Lakeshore

Ladner trio leads in Delisle upset

The understatement of the week was when we predicted Delisle would give Trapani some trouble Sunday in Annunciation Basketball League play at Kiln.

With five seconds remaining in one of the season's best games, the score Delisle 62, Trapani 62, Delisle's Buck Ladner sank a free throw to hand the Traps their first defeat of the year 63-62.

The loss also knocked Trapani out of their hold on first place in the league, moving Anthony into a tie for the slot, each team having four wins and one loss. St. Williams, Delisle and the Krack Stars are next with 3-2 followed by Oblate, 2-3, Lizana, 1-4, and Lakeshore, 0-5.

Sunday's games were the last of the year, play resuming on Jan. 7.

In the first game Oblate defeated Lakeshore 66-32 led by Wick with 24 points. Losor 10, Muldin and Kibicki 9 each. For Lakeshore, Sam Carver got 16 and Ray Ladner, 10.

Next came the Trapani-Delisle upset. For Delisle, Pat Ladner scored 18, Paul Ladner 15, and Buck Ladner 12. For Trapani Greg Quinlan and Father Maurice Flood each scored 14, Tommy Godwin and Waymon Carr 8 each.

In the third game up-and-coming Anthony edged St. Williams 69-63 with Larry Johnson hitting for 17, Dave Jakes 14, Leroy Luke 10 and Jerry Spell, 9. For St. Williams,

Bay Angels fly high this year

With 13 boys from 11 participating in the City Parks and Playgrounds Commission completed its second annual football season recently, recreational director Bill Johnston announced.

Two teams, the Bay Angels and the Baby Bay Angels played 12 games, each winning five and losing one. The older team scored 159 points while giving up only 55 and was sparked by Keith Payne, said to be one of the finest young runners seen in this area for some time, who scored 84 points, heading up the defense were Johnny Taylor, Mike Lymuel, Chuck Carver and Eric Lymuel.

The smaller team scored 4 points while giving up 70 and were led by Johnny Grace and Guy Lizana who together scored 62 points. Vernon Powell, Ferdinand Bilbo and Mike Rabateau were named as defensive stand-outs.

Head coach is Billy Rhodes with Mickey Rouse, Jerry Seuzeneau and Jim Ford assisting.

To play D'Ibarville next

Hawks fold wings

Coach Roland Lader's amazing Hancock North Central Hawks have folded their wings until next year but not before chalking up three more basketball victories, two last week and one Monday.

The Hawks now have eight victories against one loss - and that was by a one-point margin. But several of their wins have been by one or two points and coach Lader said Tuesday he was shifting the team around and rotating to give others a chance to play and

develop competence. "I hope to have pretty good depth by tourney time - at least eight or nine experienced starters", he added. He particularly mentioned Greg Shaw, Glen Davis and Lloyd Anderson as "coming along fine".

Thursday at Ocean Springs Eddie Lader pumped in 27 points to spark the Hawks to a 73-55 win over the Greyhounds with Louie Lader adding 13, Clyde Moran 12 and Greg Shaw 10.

But Saturday the Hawks barely squeaked by Long Beach

60-58 in a home game. Eddie scored 18, Louie 15 and Clyde 14.

Monday night the Hawks flipped Harrison Central 67-54 in another home game, this time Eddie scored 24, Clyde 13, Louie 12 and Glen Davis 8.

The young and inexperienced Hawkettes are still trying for their first victory but are looking better in every game. They lost to Harrison Central's girls 28-36 Monday night.

Next game for the Hawks is against D'Ibarville in the Harrison Central Invitational Tournament. Match games on Jan. 3. The Hawkettes resume action Jan. 5 when they entertain Northwest Jones.

Year to end in bang as hunters hit trail

College students home for the holidays say hunt to their hearts' content in Hancock County game warden's hat today said Monday.

Third and last year season, this hunting year opens Friday for 24 days through Jan. 14, 1968. Daily bag limit is 12 and hunting hours are from 12 noon until sunset. Best bet is to find the birds' food supply - a soybean field that has been plowed since the beans were harvested, a hedges-down corn field, etc.

This split should be better than the initial two and the birds should be fat and fully grown. Other seasons open are squirrel, open through Jan. 7, daily bag limit 8, possession 16; Rabbit, open through Feb. 18, daily bag 8, possession 20; Duck, open through Jan. 7, daily bag 4, possession 8. Daily bag cannot include more than two mallards and two wood ducks.

Tigerettes break-up Stone 62-33

In most sports a good offense is considered the best defense but when you have a combination of the two, a good offense and a good defense, you usually have a champ.

And that's what coach Billy Sills has in Bay High's Tigerettes, defending conference champs. Friday night at Wiggins, the lasses pounded Stone 62-33 to top their season record to 10-1 and edge a little closer to the goal of all prep school athletes, the state championship.

The Tigerettes took a 20-5 first quarter lead against the Tomkittens, who last year went to the state championship tournament, and coasted from then on. Sills used every player on the squad, everyone making the scoring column but Ann Perkins led with 24 followed by Mary Ann Smith with 12. Heading up the defense were Sherry and Karen Dean, Sally Porter, Dottie Mitchell and Susan Perry.

However Stone got revenge in the night's finale defeating coach Winny Seymour's Tigers 58-46. The reverse happened in this game, Stone getting off to a first quarter lead and hanging on throughout. Quarter scores were:

BH 10 7 13 16 - 46
S 16 12 11 19 - 58

Anthony Lander of Bay High and Billy Gordon of Stone shared scoring honors with 18 each while Kenny Miller added 11 for the Tigers who are now 2-4 for the season.

PLEDGES HONORARY
Susan Marie Ryan of Bay St. Louis has been pledged by Alpha Lambda Delta, national honor society at the University of Southern Mississippi where she is a freshman.

Tigers lap-up double header vs. O. Springs

Bay High's Tigers and Junior varsity took both ends of a basketball double-header from their traditional rivals, Ocean Springs, Monday night in the Greyhound's gym.

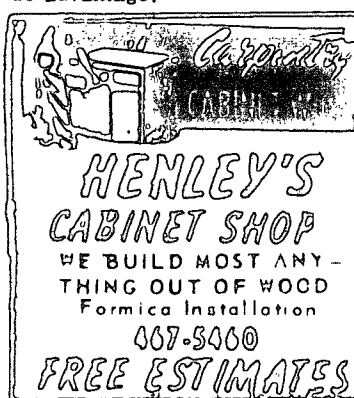

Both games were thrillers and both Tiger teams had to come from behind to win, the varsity winning in overtime 51-48 and the Jvs sinking 20 points in the final frame to defeat Ocean Springs' Jvs 48-36.

The varsity game wound up in a 46-46 deadlock but Anthony Lader who now has a 21.5 point-per-game average hit for 3 and Mike Benigno added 2 in the overtime period while the Greyhounds were held to 2. Lader and Benigno were high scorers with 21 and 14 points respectively.

Quarter scores:

BH 15 12 5 14 5 - 51

VOTE YES DECEMBER 23rd FOR PAVED STREETS

As citizens, we are vitally interested in Bay St. Louis - its progress, its development and its future. The bond issue election which will be voted on December 23rd, is the next step in securing for our city the streets and drainage which we need so badly.

To wait any longer would only mean high costs and another summer of dust. After many months of inconvenience, we finally have the opportunity to vote for paved streets. We urge everyone to vote YES December 23rd.

WHAT WILL IT COST?

Nobody gets "somethin' for nothin'", and after studying the bond issue, the engineering report, and the recommendations of the Citizens Advisory Committee, we feel that the proceeds of the bonds are within our means and the 7.5 mill levy is fair and equitable. Below is an example of the cost for property owners per year:

ASSESSMENT	7.5 MILLS
\$1,000	\$ 7.50 per year
\$1,500	\$11.25 per year
\$2,000	\$15.00 per year
\$2,500	\$18.75 per year
\$3,000	\$22.50 per year

THE MAJORITY OF THE HOMES IN BAY ST. LOUIS HAVE AN ASSESSMENT OF \$2,000 OR LESS.

WHO WILL BENEFIT?

EVERYONE! The value of your property will be increased. The natural flow of traffic to local business will increase. Industry and investment dollars will look to Bay St. Louis as a progressive, modern, up-to-date city. New streets will put us in a more competitive position for the future, which is promising indeed.

In a few short months a modern four-lane highway will be completed through Bay St. Louis. In the not-too-distant future, Interstate # 10 will put us just minutes from downtown New Orleans. This bond issue election is our opportunity to take advantage of our desirable location and to attract new people.

LET'S DO THE JOB NOW!

We feel the advantages of passing this bond issue on December 23rd, far overshadow any disadvantages. To wait any longer will only delay and deter our progress. To put off until "tomorrow" what we should have done "yesterday" will only mean the loss of valuable time. We have the foundation, a first class sewerage collection and water system already in the ground. Let's complete the job on December 23rd with an overwhelming YES VOTE for the bond issue.

Pay needs may up hospital bed rate

Pressed by requirements of new federal minimum wage laws Hancock General Hospital trustees may face the prospect of having to hike room rates again in 1969.

Increased in February from \$15 to \$16 per bed in a semi-private room and from \$18 to \$21 for a private room, the rates may have to be jacked up further \$3 per bed to cover next year's proposed payroll minimums.

Although trying to hold any increase closer to \$2 per bed trustees are banking on an increased collection rate and greater utilization of the facility to make up the difference.

In any event nothing is to be done until after their auditors can work up figures projecting income over the year and see how much short of requirements this will come.

John D. Rutherford, Jr., board treasurer, told trustees that he and Administrator H.J. Blackledge had attended an all day session in Jackson recently in an attempt to learn more about minimum wage requirements from a representative of the Wage and Hour Division. There was no consolation, Rutherford said, as far as they were able to determine the more than 20 hospital administrators and trustees present were all more or less in the same boat.

After hearing that 12 southern counties in the state came under the Mobile, regional office, not Jackson, Rev. Charles Johnson, suggested the hospital contact this office and ask that

OK \$25,000 loan for portable classrooms

The Hancock County Board of Supervisors Monday approved a \$25,000 loan for the purchase of two portable classrooms for North Central and equipping them. With the \$50,000 borrowed earlier this year for Pearlington expansion, it would bring to \$75,000 the total secured under this route. They sought speedy approval so the units can be installed over the Christmas holidays.

Phillips said repayments at \$15,000 annually on the whole \$75,000 could be handled on the existing 8-mill bond levy since 4 will handle it. While the schools could utilize a \$21,000 18th Section account routing from the NASA land acquisition, trustees preferred to hold that money to replace the 16th Section lands, he explained.

Beta Club inducts 15

The Beta Club, a group of men from the Hancock North Central High School, held its 15th annual induction ceremony last week. Robert Wilkerson was elected president of the club for the year.

The new members inducted were: Larry Smith, Mike Treat, and Guy Newman. The club is a group of men who are interested in the community and who want to help the school.

Beta Club Susan Hanckes weds gives Yule Kearney Robert, Jr.

Christmas Eve was a special day for the Beta Club, as they presented a Yule party for the club members. The party was held at the home of Susan Hanckes, who was married to Robert Kearney, Jr. The party was a success and the club members enjoyed the evening.

Most Holy Name of Jesus Church, New Orleans, was the setting for the wedding of Susan Hanckes, daughter of Dr. and Mrs. Lloyd Joseph Hanckes, and Robert Kearney, Jr., son of Mr. and Mrs. Robert of New Orleans and Waveland.

The ceremony was performed by the Rev. Father, who was assisted by the bride's sister, Miss Elizabeth Hanckes, and the groom's brother, Mr. Robert Kearney, Jr.

Bay schools get \$27.048 U.S. grant

If the mail man moves fast enough and the Office of Education in Washington uses zip codes, the Bay St. Louis Municipal Separate School District will have a check for \$27,048 in its Christmas stocking. The amount is half of a \$54,097 windfall awarded the system under Public Law 874, for schools in impacted areas. Superintendent J. D. McCullough said yesterday that the money is for maintenance and operation of the system. He said it was the first payment for the 1967-68 school year. Notice of the award came Tuesday in a telegram from Walter Batson, secretary to Congressman William M. Colmer. McCullough said the award came as a big Christmas present and was surely needed by his schools.

"There are many things that come up in the course of a year under operations and maintenance that are not provided for in the budget. Now we have this money things look good", he said.

County schools..

under this section. Last year the system had 222 federally connected students whereas this year only 179. Last year's payment was \$36,000 so, all things being equal, we should get about 20 per cent less, or about \$28,500, this year, Rutherford said.

A second Title I fund application, this under Sec. 815, is pending, Rutherford told trustees.

This application, also based on federally connected school children numbers, is for around \$500,000. Funds would be used for libraries at Gulfview, Pearl-Lington and Hancock North Cen-

Airport...

(Cont. from Page 1.)

Carrollton expressed confidence that by the time construction was to the paying stage, additional FAA money would have been earmarked so the original 4 inches in non-critical and 4 inches in critical runway areas could be applied.

The contract provides for 270 calendar days to complete the airport after the successful bidder gets notice to proceed. At that stage Scafide moved to accept the Baker recommendations and send them on to the supervisors. When he got no second from the six other commissioners' present, Martinovich inquired the view of the incoming supervisors. Scafide said he didn't see the connection between the old and new board

trial, physical education facilities at Pearl-Lington and Gulfview, and a new roof at North Central.

This fund ran out of money last year but has been re-funded by a recent act of Congress. President Lyndon Johnson has signed the bill so action should soon be forthcoming, according to Rutherford. The aid co-ordinator was a little concerned however over whether or not he would be required to submit a new application. Here again the concern was over the decrease in federally connected children in the system since last year when application was initiated.

Other applications are in the mill for Title 2 and Title 3 funds. Title 2 is a 100 per cent reimbursement proposition and deals with school and library books and Title 3 is a 50 per cent reimbursement proposition on school supplies.

Trustees voted to ask the supervisors for a loan of \$25,000 to take care of immediate classroom expansion problems at North Central as well as renovations of the Industrial Arts Building at the same location.

To try and help the system trustees voted to purchase one two unit mobile classroom trailer this month at a cost of \$9,912.50 and advertise for another unit with similar specifications. The unit will be supplied by Trailer City, Mobile, Ala.

The balance of funds will be used partly to purchase classroom furniture for the units and pay for hooking them into the sewerage system. The rest will go to paying for hook-up of sewerage system and the running of electrical connections and dividing partitions at the Industrial Arts building. In a final item trustees passed November claim docket Nos. 5,355 to 5,648.

At a previous meeting Walter James Phillips, board attorney, was asked for advice regarding money piled up in various county funds during previous years from various sources.

Phillips said it was necessary to determine the origin of the money before it could be transferred by the supervisors for school use. It was decided to put the matter before the supervisors.

U.S. 90 job is going well, chamber told

Work is going well on the south lane of U.S. 90 where it traverses Bay St. Louis, according to Manuel F. Gonzales of Hydo Construction Co., principal contractors.

Addressing the area development committee of the Chamber of Commerce last week, Gonzales said that about half a million dollars worth of work had gone into the south lane since Dec. 1 but that much of the total was underground in the form of drains and the like. He said it was their intention to finish the south lane to its maximum 35 foot width, open it to traffic, then add a further 12 and a half feet to existing new construction on the north lane. This will bring both lanes up to similar width in accordance with initial planning.

The committee also heard from J. D. Caraway, interstate project engineer, Mississippi Highway Department.

Caraway spoke on development phase work of I-10 and said overall construction work on the highway is ahead of schedule.

In other chamber business, the board of directors on Monday decided to endorse the forthcoming bond issue for city street paving and repairs by a majority vote.

They also discussed the building program but deferred action until the general membership meeting in January.

WMS HAS PARTY

The WMS Afternoon Circle of First Baptist Church held its Christmas party and exchange of gifts Tuesday at the home of Mrs. J. D. Green. A Christmas arrangement and candles decorated the refreshment table.

Bay St. Louis, Miss., movie producer's award, white film in dark rooms of University of Mississippi, Bay St. Louis, Miss., in Department of Speech and Dramatic Art.

Teaching first love of
Bay movie producer

Bay St. Louis, Miss., recent winner of a movie producer's award, plans to continue teaching after receiving his doctorate from University of Iowa.

A doctoral candidate in the university's Department of Speech and Dramatic Art, he won the University Film Producers Assn. McGraw-Hill Motion Picture scholarship competition for his film entitled "The Quiet Desperation" and several analytical papers on film criticism and history.

The award, given for outstanding promise as a film scholar and artist, was presented at the 21st conference of the University Film Producers Assn. at the University of South Dakota.

The film is a documentary about alcoholism in Fort Worth, Tex., and the papers discuss the establishment of models for criticizing movies in the systematic way that art and literature is criticized.

Perry teaches cinematography techniques at the U of I, and is working in film history and criticism for a Ph.D., which he hopes to receive in August. His dissertation is a study of "Eclipse," one part of a film tri-

logy directed by Michelangelo Antonioni, prominent Italian film-maker whose most recent picture is "Blow-Up."

Perry received a B.A. Degree at Baylor University, and an M.A. at the U of I. He concentrated on drama as an undergraduate, and his master's thesis at the U of I was a play with a Mississippi setting called "Where the Ducks Are," which was produced at the Studio Theatre in January 1967.

He has several film-making credits, and many of his productions have appeared on net-

School bus
in highway
accident

Fifteen Christ Episcopal Bay school pupils were taken to Hancock General Hospital for emergency treatment and x-rays after their small panel bus was overturned when struck from the rear at the intersection of U.S. 90 and Washington Road. The mishap occurred at 4:40 p.m. Monday.

Celia Wilcox suffered fractured arm; others were treated for bruises, abrasions, and one small head laceration.

Mrs. Lunde Yarborough, driver of the westward bound bus, had turned almost completely off of the highway when the left rear was hit by an automobile, operated by George Coombs of Mt. View, Calif., traveling in the same direction. Highway Patrolman Wayne McMurtry investigated, assisted by Sheriff Sylvan Ladner, Chief Deputy Eldo Depero and Riemann's Fahey-Whitfield ambulance in taking the children to the hospital.

Coombs was put under \$25 bond by Justice of the Peace Nolan Ladner, which he forfeited when he failed to return for hearing.

Southern Bell
to form two

Southern Bell telephone company is to split into two separate organizations as of July 1, 1968, according to Clarence L. Lott, vice president and general manager for Mississippi.

Lott said the new company, to be known as South Central Bell Telephone Co., will handle operations in areas of Mississippi, Alabama, Kentucky, Louisiana and Tennessee, both it and Southern will remain outside the American Telephone and Telegraph Co. organization.

the annual Christmas play. The Lutheran Church of the Pines will also have a Christmas theme for both its service at 8 a.m. Sunday and its 9:15 a.m. Sunday School. A special children's program is scheduled for 4 p.m. Sunday. On Christmas Day, 8 a.m., has also been set as the hour for special services.

At St. Augustine's Seminary midnight mass will be celebrated Christmas Eve and a 9 a.m. mass Christmas Day. St. Rose de Lima Church, will open its doors at 11 p.m. Christmas Eve, organ music will start at 11:30 p.m., followed at 11:45 p.m. by a crib procession and at midnight, high mass. On Christmas Day masses will be at 6 and 9 a.m.

Seeking grant for
study of utilities

An application of an advance planning grant of \$9,000 for a study of utility services in the newly annexed area of Bay St. Louis is being prepared for transmission to the Atlanta offices of the House and Urban Development Department.

City Commissioner of Utilities J. Cyril Glover said concurrences are being sought from Jack D. Brown of the Gulf Regional Planning Commission and Joe D. Brown of the State Department of Health in Jackson to send in with the voluminous papers.

When the Chancery Court order on the annexation was entered, the city agreed to provide utilities in that area within five years.

Glover also reported that the State Fire Rating Bureau inspectors have arrived to start checking business houses for reclassification of insurance rates as a result of the expanded water system. A reduction of 20 to 40 per cent in the premiums is anticipated.

CHRISTMAS

Proclamation

WHEREAS, the holiday season approaches in which the entire Christian world pays tribute to Christ our Savior, and WHEREAS, it is indeed fitting on this occasion that we set aside our usual duties and rejoice in the spirit that is so exemplified by Jesus Christ.

NOW, THEREFORE, BE IT HEREBY PROCLAIMED that the City of Bay St. Louis shall set aside the period beginning December 23, 1967, and extending to and including December 26th, so that all may appropriately commemorate the birth of Jesus Christ, our Savior.

BE IT FURTHER RESOLVED AND ORDERED that the City Hall and all public buildings be and they are hereby declared to close their doors for the aforementioned period.

Ordered this 18th day of December A.D., 1967.

We are wishing you a Merry Christmas
and a Happy New Year

The James A. (Jim) Ladner Family

WE ARE OPPOSED TO THE
DECEMBER 23rd CITY BOND ISSUE OF
APPROXIMATELY ONE MILLION DOLLARS BECAUSE:

- 1.) The city administration betrayed us on the sewer bond issue by deleting street repairs.

Why should it now cost approximately ONE MILLION DOLLARS when less than \$200,000 was deleted from the sewer bond issue which was supposed to repair all of the City Streets?

- 2.) Why should only 29 miles of streets be repaired when we now have 57 miles of streets in our city? Is your street left out?

- 3.) The city administration promised the people a choice on the type of program for street repairs. Where is this choice?

- 4.) Why spend almost one million dollars for a partial and temporary repair job which will keep us tied down and paying for 25 years?

- 5.) Why did the City Administration hire the same engineer who designed the sewer system?

- 6.) Why wasn't the public given the information on the Goldman report?

- 7.) Why was the word "DRAINAGE" omitted from the legal advertisement?

- 8.) Why should the newly annexed area be taxed for 25 years for improvements in the original portion of the city and none in the annexed area?

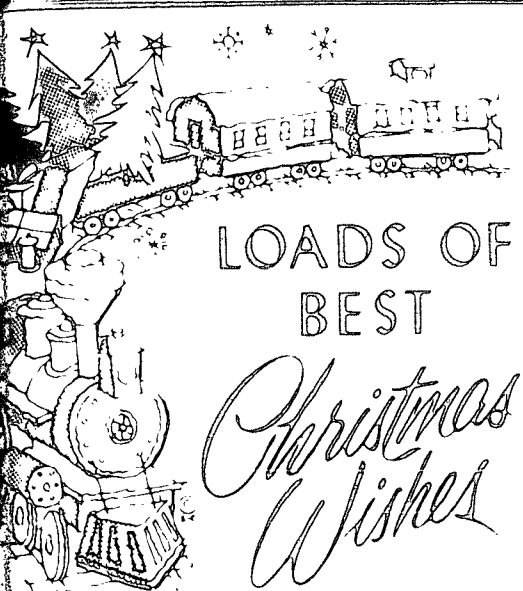

- 9.) You have been told about the increase of taxes of 7.5 mills.

CHECK YOUR ASSESSMENT BEFORE YOU VOTE

ALL OF THE TRUE FACTS AND INFORMATION AVAILABLE ARE AGAINST THE PASSAGE OF THIS BOND ISSUE. "DON'T VOTE FOR THIS BOND ISSUE OUT OF DESPERATION. THERE ARE OTHER AVENUES OF APPROACH TO SOLVE OUR PROBLEMS."

berries." You can distinguish between the two at blossom time in late May or early June. The female flower has a green protuberance in the center surrounded by four white pistils. The male flower has four yellow stamens and does not have a center core of green.

FIREPROOFING

Christmas costumes and paper or cloth decorations can be flame proofed by dipping them into the following solution, wringing them by hand and allowing them to dry: 3 quarts water, 7 oz. borax, 3 oz. boric acid.

Harlem Travelers to appear at St. Rose

Basketball will feature the Harlem Travelers, a team of professional and semi-professional players, when they appear at St. Rose's Catholic Church, Bay St. Louis, on Friday night.

The Harlem Travelers team is made up of some of the best players in the professional and semi-professional world. Leading the parade is Art "Bones" Smith, who is regarded as the "Clown Prince" of basketball. His lanky 6-foot-10-inch frame moves around the court like an acrobat and his genius for pantomime humor keeps the audience in hysterics.

Bobby Blue, the team's founder, is one of the best players in the game today. An outstanding shooter, he played pro ball with the Los Angeles Jets when the American Basketball League was in operation, and later with the Harlem Globetrotters.

Also, Easy Ed Hurt, one of the great ball handlers and dribblers in basketball, Mike Bundy, a superb athletic who amazes with his precision ball handling, shooting and passing, Alan "Red" Davis, a real pro and veteran of the comic basketball circuit having played many years with the Harlem Globetrotters, and Tony Davis who can shoot and jump like a man his size.

Appearing against the Travelers in this fun-fest will be the crack stars comprised of

the St. Rose's basketball team, coached by Coach [Name], and the St. Rose's basketball team, coached by Coach [Name].

Musinsky named superior general

Rev. John Paul Musinsky, S.V.D., 48, who served as dean of theologians at St. Augustine's Seminary here in the late 1950s, has been elected new superior general of the Divine Word Missionaries, the first American to hold this office in the 100-year history of the organization of the Roman Catholic Church.

Father Musinsky becomes chairman of an extraordinary general chapter of the order, meeting in Rome, Italy, to revise and update the society's constitutions. Attending are 108 in all, representing 3,700 Divine Word priests and brothers active in 35 countries.

His predecessor, Rev. John Schmitt, who served as superior general from 1970 but resigned in favor of a general chapter decision to elect him for the term from 12 to 10 years.

Prior to his election he served since June as provincial for the society's eastern province with headquarters at Girard, Pa. A native of Farrell, Pa., Father Musinsky began his training with the Society of the Divine Word at the seminary in

REV. JOHN MUSINSKY
Girard in 1931 and was ordained in 1934. After two years in Europe, he was dean of theologians at Tochny, Ill., from 1936 until 1958 after which he served a year in the same capacity here and then was named novice master at the seminary in Canisteo, N.Y.

Coast EPA gets \$1,208,000 loan

Approval of a \$1,208,000 loan to Coast Electric Power Assn. by the Rural Electrification Administration, Washington, D.C., was announced Tuesday by Senator James O. Eastland.

The money, along with a prior \$25,000 RFA loan, will be used to finance 156 miles of distribution lines to serve some 2,500 new consumers.

H.H. Shattuck, general manager of Coast Electric here, said yesterday that the continued growth of the area has meant a greater demand for electricity.

This money will be used to extend new distribution lines and to heavy-up existing facilities throughout our area," Shattuck said.

Coast Electric serves Hancock, Harrison and Pearl River counties.

The loan funds will also finance three new substations and, in completion, the facilities of the association will serve about 14,750 consumers in the three-county area.

The loan includes funds for construction of an area office in Harrison County to be built on property already owned by the association at the intersection of Dadeau Road and

Wilson Blvd. A trailer-office now serves at this site.

After acknowledging the loan Shattuck expressed disappointment at the defeat in Congress of a supplemental bill for rural electric financing.

"Our attempts for legislation to permit us to go on the open market for money were defeated this year. However, we must have capital to operate just as any utility. Under the present conditions our source of capital is interest-bearing loans from the RFA," Shattuck said.

Plans and specifications for the Harrison area office are being completed, and are expected to be completed by early spring.

DECORATIONS

You may find the ingredients for Christmas decorations in your own backyard. Collect sprays of holly, poinsettias, and evergreen branches. Spray paint them in sparkling silvers and golds or bright holiday reds and greens. Arrange them with Christmas tree ornaments into an attractive centerpiece, or add some ribbon and use them to top off Christmas gifts.

Hospital...

(Cont. from Page 1-C)

a representative sent to study the facility.

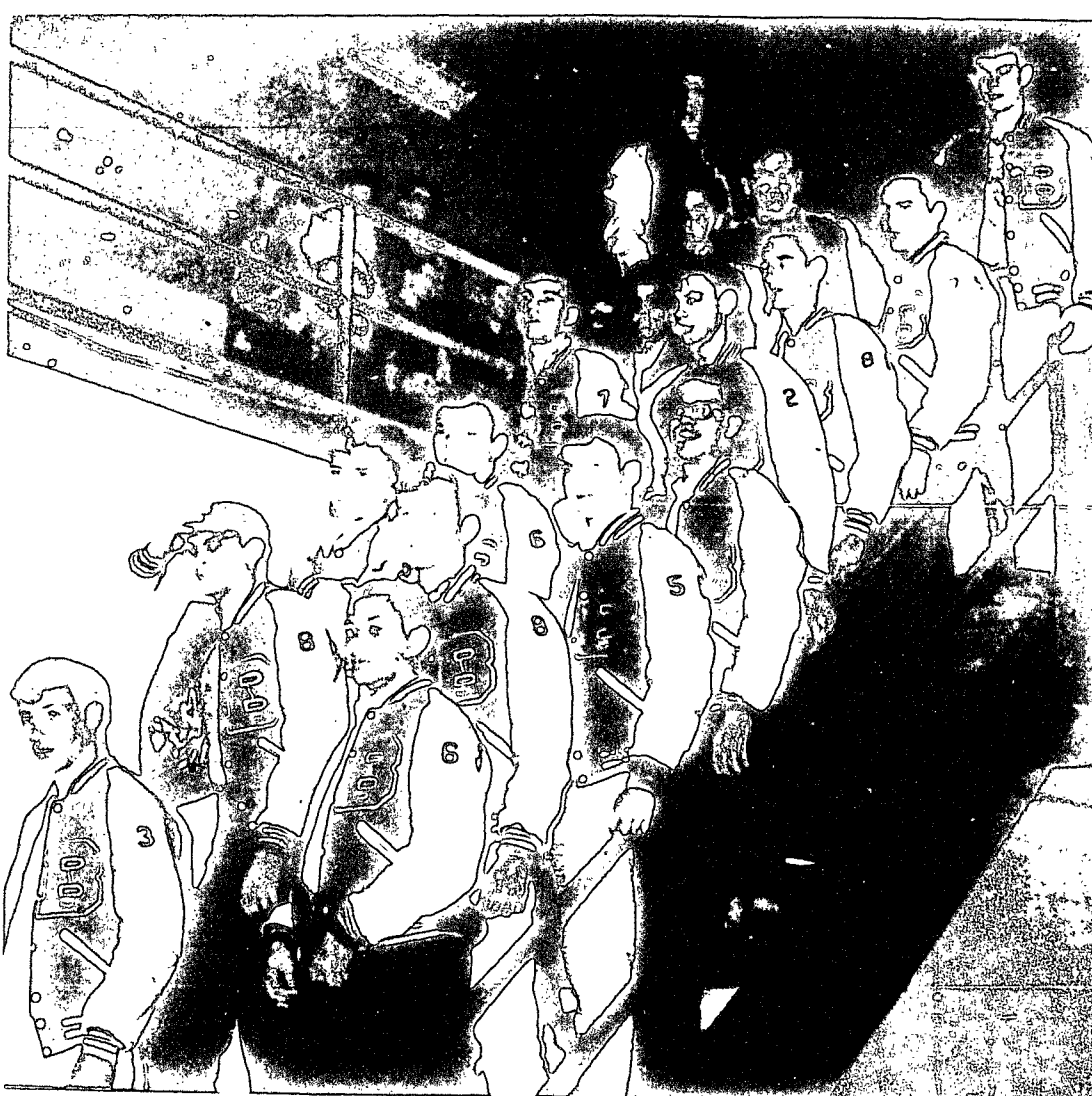

Trustees agreed they would sooner have the matter fully thrashed out lest they be involved and have to pay a large lump sum when such was discovered. Several hospitals have already had this experience, Rutherford reported.

Blackledge said he hoped to present the year-end audit next month but reported that Medicare reimbursements were so far behind final tabulation of figures might prove difficult.

Trustees granted Blackledge authority to pay bills ahead of claim doctor approval where such payment will enable them to take advantage of discounts. Meeting on the third Tuesday of the month means that several accounts, whose bills arrive around the first of the month, are overdue as far as the discount period is concerned before payment can be approved. Loss of discount can mean the difference of more than \$100 per month, Rutherford, the motion's sponsor, claimed.

After approving the medical staff list and appointments for 1968, trustees approved the appointment of Dr. W. K. Stewart of Pass Christian to the hospital's associate staff.

After accepting low bids on several items of operating and janitorial supplies for forthcoming year, trustees briefly considered future expansion plans. The administrator pointed out that the time had come when the facility was due to make initial steps. He suggested an effort be made to have the city county dump excess dirt or rip-rap into the swamp back of the hospital, a possible building site. Blackledge said he would see the day fast approaching when the location would have another building located thereon, facing south.

Store hours reviewed

In the air there's a feeling of Christmas

The air is filled with the spirit of Christmas as the holiday season approaches. Many stores are offering special deals and discounts to celebrate the season.

As far as buying presents is concerned the situation is a little better and the big grocery buyers can run the risk of having soap and packets burst into a bunch of flowers right through to Sunday afternoon.

Here is how the situation looks:

Jiffy Jungle, A and P, and Winn Dixie will open from 8 a.m. to 2 p.m. on Sunday for sale of edibles and like things

while T. J. and Y. will operate from 8 a.m. to 6:30 p.m. Sunday.

Others having different hours on Sunday, Dec. 24, are Gulf Thrifty Drug, 8 a.m. to 6 p.m.; The Sea Coast, U.S. 90, 11:30 a.m. to 3:30 p.m.; Brewster's Jewelry, 1 - 5 p.m.; Kerns, 9 a.m. to 1 p.m.; Bay-Waveland Florist, Waveland, 9 a.m. to 2 p.m.; Factory Reject Store, Pass Christian, 10 a.m. to 5 p.m.

Some others varying their routines slightly are W. A. McDonald and Sons, open extra 1 - 5 p.m., Saturday, Dec. 23; Hancock Marine, open to 6 p.m., Saturday; Bobby Ann Bakery, closed Dec. 25 to Jan. 3.

City Hall will be closed from Friday afternoon until Wednesday and the Courthouse closed

until Wednesday a.m. except for sheriff's office.

Sheriff Sylvan Laddner, Jr., says his office will close from 5 p.m. Friday to 8 a.m. Tuesday although deputies will be on duty throughout the weekend.

As a final note, cheapest

time to call relatives over holiday season will be to points outside the state from 7 p.m. Friday through Dec. 25 and again from 7 p.m. Friday Dec. 29 through New Year's Day when night rates will be in effect. For points inside state night rates will be charged on calls originating from 8 p.m. Saturday through New Year's Day.
